

Double Chocolate Chip Cookies Application Recipe

AB Mauri Pinnacle Muffin Mix Chocolate

Ingredients:

Muffin

Weight (gm)

Mauri Pinnacle Muffin Mix Chocolate	420
Butter (softened)	168
Eggs	100
Arrow Kularome Vanilla	5
Nuts (walnuts, chopped)	60
Chocolate Chips	60

Production method:

- 1) Preheat oven to 180°C top heat, and 175°C bottom heat.
- 2) Combine muffin mix, softened butter, eggs and vanilla in mixing bowl. Mix at slow speed for 1 min, followed by medium speed for 1 min.
- 3) Stir in nuts. Drop small amount of cookie dough onto the baking tray and flatten it. Ideally, cookie size should be small and consistent in size to ensure even baking and product comes out crispy.
- 4) Cookie dough may also be rolled into cylinder shape and kept frozen. Prior to baking, remove cookie dough from freezer and cut the rolls and place it onto baking tray.

- 5) Bake for 15-20 minutes, depending on cookie dough size and oven used.
- 6) Cool 1 minute on baking sheet and remove to cooling rack to cool completely.
