

Cocktail Pudding

(Mauri Custard Powder)

	<i>Weight (gm)</i>
Mauri Custard Powder	200
Water	1770
Evaporated Milk	600
Suagar	480

1. Combine Mauri Custard Powder and water into a pot and mix well until custard powder fully dissolved.
2. Heat up pan over low heat, add in evaporated milk and sugar. Constantly mix until mixture is thickened.
3. Pour custard mixture (about 50g) into small mould, let it cool slightly and refrigerate for 3 hours. Serve with vanilla sauce and fruit cocktail.
