

# Waffle

(Mauri Waffle Mix)

## Ingredients

Mauri Waffle Mix  
Eggs  
Water / UHT Milk  
Vegetable Oil

### Weight (gm)

1700  
510  
1530  
270

1. Preheat waffle machine as per machine instruction.
2. Assemble all ingredients in mixer with paddle attachment.
3. Mix for 1 mins at slow speed and 1 mins at medium speed or until homogenize.
4. Deposit desired batter weight (about 190g) into waffle maker and heat (~190°C) until cooked (approximately 5.5min). Heating time varies depends on type of machine used.
